About Our School

Seedlings Nursery School's goal is to jumpstart moral, spiritual, and academic development in each child. God is not limited to small areas of life. Spiritual principles and Godly love are demonstrated and incorporated into each aspect of our program.

At the same time, academic development in math, science, social studies, art, and music is stressed. The consistently high scores of our students on kindergarten entrance tests demonstrate the effectiveness of our program.

Through the loving care of our teachers and staff, your child's spiritual, academic, and social development will be enhanced.

Teaching Philosophy

At Seedlings, we believe each child has the potential to grow strong in their love of God and learning. Under our teacher's tender care, your child will establish firm spiritual, academic, and social roots providing a well-rounded foundation for continued growth and development.

Mom, hurry !!
Classes start

Teaching Focus

Each month our curriculum focuses on learning a color, a shape, and a theme. Themes include self, children around the world, families, community helpers, the heavens, ocean life, plants, animals, and insects. Elementary school readiness skills are taught throughout the curriculum. Monthly calendars are sent home informing you of class activities and to foster discussion at home.

Tuition Discounts

25% Member Discount - Parents attending First Wesleyan Church on a regular basis (minimum of 3 out of 4 Sundays per month for 6 consecutive months) receive a 25% tuition discount.

Multi-Child Discount - Second and subsequent children from the same family receive a 10% tuition discount.

Registration

Schedule a Visit - We encourage all new families to visit our facility, meet the staff, and even observe while school is in session. Late or mid-year registrations are accepted as space permits.

Tuition - Tuition is paid for the school program and is not based on attendance. Tuition can be paid in one lump sum or spread over ten monthly installments beginning August 1, 2008.

Reserve Your Spot - Seedlings follows state guidelines for student/teacher ratio and floor space per child. This limits enrollment, so register early. To register, submit the attached enrollment form with a non-refundable \$60.00 registration for each child. If registering after August 1, the first of ten tuition payments is also due with registration. The 2008-2009 school year begins September 10, 2008 and ends May 20, 2009.
